**End Application:**

C-2a aircraft, flight control direct

**End Attachment Style:**

Eye both ends

**Body Construction:**

Tubular

**End Attachment Length:**

1.937 inches first end

**Product Name:**

Inavy-push rod assembly

**Special Features:**

Length 52.625 inches

**Material:**

Aluminum alloy

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A52410
