End Application:

F-22 aircraft

Body Construction:

Tubular

Product Name:

Arm assembly, idler door

Special Features:

The -103 is for the lh aft mwb door. The drawing for this p/n calls out "xocr instl-strain gage. Mwd door idler arms. The nha p/n is 5ha40010-873

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
