Overall Length:

22.438 inches

Body Width:

1.500 inches

Body Thickness:

0.375 inches

End Application:

Watertight door

Link Style:

Offset

Body Construction:

Solid

Product Name:

Connecting link, hinge side

Special Features:

Watertight, quick acting sub-assembly

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
