Overall Length:

20.938 inches

Body Width:

1.500 inches

Body Thickness:

0.375 inches

End Application:

Door, watertight

Link Style:

Straight

Body Construction:

Solid

Product Name:

Connecting link, hinge side

Special Features:

Doors watertight, quick acting sub-assy

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
