Body Thickness:

0.375 inches

End Application:

Door

End Attachment Style:

Eye both ends

Link Style:

Straight

Body Construction:

Solid

End Attachment Hole Diameter:

0.749 inches first end

Product Name:

Shaft, link

Special Features:

Distance between mounting holes; 1.252 second mounting hole dia; 1.004

Material:

Steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
