Overall Length:

4.500 inches

Overall Height:

1.000 inches

Thickness:

0.50. Inches

Length:

4.500 inches

Mounting Hole Diameter:

0.250 inches

Mounting Hole Quantity:

2

End Application:

Mrap - unique nsn - mrap no permanent wsdci identified

Product Name:

Adapter, dcm

Special Features:

Thickness: 0.250 inches; material: sst plate; finish: passivate iaw ams-qq-p-35

Surface Treatment:

Passivate

Surface Treatment Specification:

Ams-qq-p-35 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A521h0

Mil-std (military Standard):

spec.
