Outside Diameter:

197.6 millimeters

Overall Length:

860.0 millimeters

End Application:

2320-01-549-8611

Product Name:

Plate, ballast

Material:

Steel

Material Specification:

A572/a572m assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A525e0
