Overall Length:

3.129 inches

End Application:

Fixed air crews

Largest Step Diameter:

0.497 inches

Product Name:

Metering pin

Special Features:

Left end shaft size 0.2230-0.2250 inches, right end shaft size 0.1680 inches, through hole diameter 0.1260-0.1340 at 2.9690 inches from right end

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23200
