**Overall Length:**

3.129 inches

**End Application:**

Fixed air crews

**Largest Step Diameter:**

0.497 inches

**Product Name:**

Metering pin

**Special Features:**

Left end shaft size 0.2230-0.2250 inches, right end shaft size 0.1680 inches, through hole diameter 0.1260-0.1340 at 2.9690 inches from right end

**Material:**

Stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A23200
