First End Style:

Flatted

End Similarity:

Not identical

Overall Length:

11.875 inches

End Application:

Stud elongation inpection kit

First End Diameter:

0.2480 inches

Largest Step Diameter:

0.125 inches

Product Name:

Mw elongation rod

Special Features:

Stud elongation inspection kit

Material:

Steel comp 1018

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
