**First End Style:**

Flatted

**End Similarity:**

Not identical

**Overall Length:**

8.750 inches

**End Application:**

Stud elongaion inspection kit

**First End Diameter:**

0.2480 inches

**Largest Step Diameter:**

0.125 inches

**Product Name:**

Hh elongation rod

**Special Features:**

Stud elongation kit

**Material:**

Steel comp 1018

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23200
