End Application:

Special aircraft and engine tool and support equip/parts

Link Style:

Straight

Body Construction:

Tubular

Product Name:

Connecting rod assembly, drawbar

Special Features:

Nha; 3922as142, material coating; chromocat in accordance with mil-c-5541

Material:

Aluminum

Material Specification:

Qq-a-225/8 federal standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
