Overall Length:

4.000 inches

Body Width:

1.000 inches

End Application:

Special aircraft and engine tool and support equip/parts

Link Style:

Straight

Body Construction:

Solid

Product Name:

Link, breakaway

Special Features:

Nha; 3922as168

Material:

Aluminum

Material Specification:

Qq-a-200/8 federal standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524I0
