Overall Length:

6.630 inches

Body Diameter:

2.350 inches

Body Width:

2.350 inches

Body Thickness:

0.188 inches

End Application:

Handle assembly, drawbar

Link Style:

Offset

Body Construction:

Solid

Product Name:

Link

Special Features:

Nha; 3922as142

Material:

Aluminum

Material Specification:

Qq-a-200/8 federal specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
