Overall Length:

5.048 inches

Product Name:

Gear shaf (1) , zerol bevel

Special Features:

Material: carbon steel aisi 1144 uns g11440; magnetic particle inspect in accordance with mil-i-6868; surface treatment: apply protective coating mil-p-15232, type m, class 2;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23200
