Body Thickness:

0.562 inches

End Application:

3040-01-594-7782

Body Construction:

Solid

Product Name:

Link, striker

Special Features:

Material: steel 1020; surface treatment: apply protective coating mil-p-16232, type m, class 2;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
