Overall Length:

2.188 inches

Body Diameter:

0.562 inches

Body Construction:

Solid

End Attachment Length:

0.750 inches first end

Product Name:

Link

Special Features:

Material: steel 1020; surface treatment: apply protective coating mil-p-16232, type m, class 2;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
