**Overall Length:**

6.062 inches

**End Attachment Style:**

Eye both ends

**Link Style:**

Straight

**Body Construction:**

Solid

**End Attachment Hole Diameter:**

0.312 inches both ends

**Product Name:**

Link

**Special Features:**

Material: alloy steel aisi e 4140; surface treatment: quech and temper per ws13554 to 265-320 brinnell. Magnetic particle inspect per mil-std-1907, grade c for entire item. Manganese phosphate per dod-p-16232, type m, class 1. All non-faying surfaces paint system 37, light gray per mil-std-1303. All faying surfaces manganese phosphate per dod-p-16232, type m, class 2;

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A52410
