Overall Length:

1.344 inches

Body Width:

0.500 inches

Body Thickness:

0.186 inches

Link Style:

Straight

Body Construction:

Solid

End Attachment Hole Diameter:

0.188 inches both ends

Product Name:

Link

Special Features:

Material: steel 1020; surfact treatment: apply protective coating mil-p-16232, type m, class 2;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A52410
