**Body Material:**

Steel, corrosion resisting

**Body Outside Diameter:**

1.375 inches

**End Application:**

Small boats and craft

**Extended Length:**

1.625 inches

**Mounting Facility Thread Diameter:**

1.250 inches

**Mounting Facility Thready Qty Per Inch (tpi):**

12

**Product Name:**

Cylinder assembly

**Special Features:**

Includes no 232 clevis and pin

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A34200
