**Overall Length:**

8.867 inches

**Overall Height:**

2.125 inches

**Product Name:**

Lever, chain, tightener

**Special Features:**

Material: steel casting qq-5-681; surface treatment: apply protective coating mil-p-16232, type m, class 2;

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A524v0
