End Application:

Boat, rigid i

Socket End Connection Thread Provision:

Threaded

Socket End Thread Location:

External

Socket End Thread Direction:

Right

Product Name:

Uflex I7 ball joint

Socket End Thread Size And Series/type Designator:

0.1900 unf

Special Features:

32 threads/inch

Material:

Stainless steel

Style Designator:

Single, right angle, open

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A523x0
