**Overall Length:**

11.812 inches

**Body Width:**

1.5 inches

**Body Thickness:**

0.375 inches

**End Application:**

Amphibious assault ship LHA 6

**Link Style:**

Offset

**Body Construction:**

Solid

**Product Name:**

Connecting rod lh corner

**Special Features:**

height 0.937 inches

**Material:**

Stainless steel

**Material Specification:**

Astm-a-276 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A52410
