Overall Length:

13.812 inches

Body Width:

1.5 inches

Body Thickness:

0.375 inches

End Application:

Amphibious assault ship LHA 6

Link Style:

Straight

Body Construction:

Solid

Product Name:

Connecting rod top

Material:

Stainless steel

Material Specification:

Astm-a-276 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524I0
