End Application:

Stand, gun mount

Cam Width:

1.438 inches

Specific Use:

Gun mount

Camlength:

12.0 inches

Features Provided:

Slotted

Thickness:

1.25 inches

Product Name:

Cam

Special Features:

Surface treatment, phosphate iaw mil-p-16232 ty m, cl 1; finish with drying type preservative oil

Material:

Steel

Material Specification:

4140 military standard single material response or qq-s-624 comp 4140 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A50800
