Overall Length:

1.500 inches

Body Width:

0.375 inches

End Application:

Qa wrtt doors arr & dets non standard

Product Name:

Connecting rod lh hinge side

Special Features:

Dimensions noted on assembly drawing are 3/8 x 1-1/2 fb

Material:

Stainless steel

Material Specification:

Cres 316 iaw astm-a-276 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
