Fabrication Method:

Molded

End Application:

NSN:-39-300-1599

Application Type:

Dry

Surface Condition And Location:

One side grooved

Product Name:

Wear pad assembly rt carriage and wear pad casting

Special Features:

6 in lg, shaped like a z.Brass pin in middle p/n2j-266469

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A230a0
