Overall Length:

2.0 inches

Body Width:

1.00 inches

Body Thickness:

0.375 inches

End Application:

Various c5

Link Style:

Straight

Body Construction:

Solid

End Attachment Hole Diameter:

0.194 inches first end

Product Name:

Link, pressure door seal, scm, mod kit

Material:

Stainless steel

Material Specification:

Qq-a-250/12 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524I0
