Overall Length:

0.763 inches

Body Width:

1.500 inches

Body Thickness:

0.380 inches

End Application:

Doors, frag, 26x66

Link Style:

Tongue ends

Body Construction:

Solid

Product Name:

Link, toggle, left hand

Material:

Stainless steel

Material Specification:

Astm a240 ty-316l, cond-hr, anld and pkld assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A52410
