Overall Length:

26.250 inches

Body Width:

1.500 inches

Body Thickness:

0.375 inches

End Application:

Frag qawt 26x66 doors

Link Style:

Tongue ends

Body Construction:

Solid

Product Name:

Connecting rod, top

Material:

Stainless steel

Material Specification:

Astm-a240, ty-316, cond-hr, anld and plkd assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A524I0
