Terminal Type:

Connector

Temperature Rating:

40.0 degrees fahrenheit and 212.0 degrees fahrenheit

Body Height:

3.86 inches

End Application:

8145-01-592-9018

Product Name:

Liquid tight stain relief fittings

Special Features:

Thread type and size p16, thread length standard 0.26 inches, pressure rating 150 psig (10 bar) nema 4x and 6 (submersible) ip68, material body and nut: nickle plated brass, form seal and o-ring: buna-n, cable range .28 - .47 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30500
