Overall Length:

2.900 inches

End Application:

2520-01-626-5061

Product Name:

Shaft, shoulder

Special Features:

Dimension a 0.7834, both ends maximum countersink 0.350

Material:

Steel

Thread Size And Series/type Designator:

0.250-28 unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
