Thrust Ball Bearing - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3110-00-100-8526

# **Overall Height:**

0.6250 inches

**Overall Outside Diameter:** 

2.4687 inches

### Bore Smallest Diameter:

1.3750 inches

#### Surface Finish:

Ground

## Alignment Type:

Rigid

#### **Thrust Directional Capability Designation:**

Single

#### Standard Tolerance Designation:

Abec no.1

#### **Special Features:**

Retainerless type

#### Material:

Steel

#### Style Designator:

Grooved race surface, banded od

#### Shelf Life:

N/a

#### Unit Of Measure:

---

#### Demilitarization:

No
