Overall Height:

0.4688 inches

Overall Outside Diameter:

1.3750 inches

Surface Finish:

Ground

Retainer Fabrication Method:

Machined

Alignment Type:

Self-aligning

Thrust Directional Capability Designation:

Single

Self-alignment Location:

Internal

Material:

Steel

Style Designator:

Flat race surface, in line ball retainer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A044a0
