Overall Height:

0.5050 inches

Overall Outside Diameter:

1.1875 inches

Surface Finish:

Ground

Alignment Type:

Rigid

Thrust Directional Capability Designation:

Single

Standard Tolerance Designation:

Afbma standard tolerance for thrust bearings

Special Features:

30 pct full of grease mil-g-25013

Material:

Steel

Style Designator:

Cylindrical inner ring, cylindrical outer ring, separable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
