Overall Height:

0.7656 inches

Overall Outside Diameter:

2.5938 inches

Bore Smallest Diameter:

Between 1.2550 inches and 1.2600 inches

Surface Finish:

Ground

Alignment Type:

Rigid

Thrust Directional Capability Designation:

Single

Standard Tolerance Designation:

Afbma standard tolerance for thrust bearings

Special Features:

Banded od

Material:

Steel

Style Designator:

Grooved race surface, banded od

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
