Thrust Ball Bearing - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/3110-00-155-9122

Overall Height:

0.5000 inches

Overall Outside Diameter:

2.1875 inches

Bore Smallest Diameter:

1.3750 inches

Surface Finish:

Ground

Alignment Type:

Rigid

Thrust Directional Capability Designation:

Single

Standard Tolerance Designation:

Abec no.1

Material:

Steel washer

Style Designator:

Flat race surface, in line ball retainer

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A044a0
