Overall Height:

Between 1.0263 inches and 1.0363 inches

Bore Diameter:

Between 2.0080 inches and 2.0120 inches

Overall Outside Diameter:

Between 3.6720 inches and 3.6770 inches

Surface Finish:

Ground

Alignment Type:

Rigid

Thrust Directional Capability Designation:

Single

Special Features:

Oil hole in band, 0.1250 in. R at bore

Material:

Steel

Style Designator:

Tapered rollers, banded od

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A044a0
