Overall Height:

Between 0.7450 inches and 0.7455 inches

Overall Outside Diameter:

Between 3.6720 inches and 3.7020 inches

Surface Finish:

Ground

Retainer Fabrication Method:

Pressed

Alignment Type:

Rigid

Thrust Directional Capability Designation:

Single

Standard Tolerance Designation:

Abec no.1

Special Features:

Furnished with grease fitting, packed with humble oil co. Grease andok c, banded od, large race face finish 30 mu/rms

Material:

Steel

Style Designator:

Grooved race surface, banded od

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
