Rolling Element Diameter:

0.1925 inches

Standard Tolerance Designation:

Afbma standard tolerance for balls, grade 25

Special Features:

Comp 2 gr 25

Material:

Steel comp e52100

Material Specification:

66 federal standard single material response

Style Designator:

Ball

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0

Mil-std (military Standard):

Mil-b-1083 spec.
