Rolling Element Diameter:

Between 0.2810 inches and 0.2814 inches

Material:

Steel comp e50100 or steel comp e51100 or steel comp e52100

Material Specification:

Ams7440 assn standard all material responses

Style Designator:

Ball

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
