Surface Finish:

Ground

Retainer Fabrication Method:

Machined

Load Direction:

Angular

Bore Shape:

Straight

Material:

Steel comp e52100 outer ring

Material Specification:

Ems 52135, fscm 73342 mfr ref single material response retainer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
