Overall Height:

0.6250 inches

Bore Diameter:

1.0312 inches

Overall Outside Diameter:

1.8750 inches

Surface Finish:

Ground

Alignment Type:

Rigid

Thrust Directional Capability Designation:

Single

Standard Tolerance Designation:

Afbma standard tolerance for thrust bearings

Special Features:

Single row, grooved race surface

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
