Rolling Element Diameter:

0.3130 inches

Special Features:

Grade data, 0.000025 in. Sphericity per ball

Material:

Steel comp e52100

Material Specification:

Sae 52100 assn standard single material response

Style Designator:

Ball

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
