**Overall Height:**

Between 0.4950 inches and 0.6000 inches

**Overall Outside Diameter:**

Between 1.6720 inches and 1.6770 inches

**Surface Finish:**

Ground

**Retainer Fabrication Method:**

Machined

**Alignment Type:**

Rigid

**Thrust Directional Capability Designation:**

Single

**Special Features:**

13 degrees tapered bore, 10 degrees angular contact

**Style Designator:**

Grooved race surface, banded od

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A044a0
