Overall Height:

0.3750 inches

Overall Outside Diameter:

1.7500 inches

Bore Smallest Diameter:

1.1290 inches

Surface Finish:

Ground

Alignment Type:

Rigid

Thrust Directional Capability Designation:

Single

Standard Tolerance Designation:

Afbma standard tolerance for thrust bearings

Style Designator:

Grooved raceways, large od center washer, with sleeves and nut, w/seating ring

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
