Overall Height:

Between 0.5580 inches and 0.5680 inches

Overall Outside Diameter:

1.4680 inches

Bore Smallest Diameter:

0.7810 inches

Largest Bore Diameter:

0.7870 inches

Surface Finish:

Ground

Alignment Type:

Rigid

Thrust Directional Capability Designation:

Plain

Special Features:

0.753 in. Id on other end of bore

Material:

Stainless steel band

Style Designator:

Grooved race surface, banded od

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
