Criticality Code Justification:

Zzzy

Material:

Steel

Material Specification:

Aisi51100 assn standard single material response

Style Designator:

Ball

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A044a0
