Bore Diameter:

8.0000 inches

Overall Outside Diameter:

8.5000 inches

Lubrication Material:

Lubricating oil

Outer Ring Width:

8.3170 inches

Inner Ring Width:

8.1890 inches

Surface Finish:

Ground

Retainer Fabrication Method:

Molded

Load Direction:

Angular

Bore Shape:

Straight

Standard Tolerance Designation:

Abec no.7

Contact Angle:

Between 27.0 degrees and 33.0 degrees

Special Features:

Vacuum impregnated with specified lube

Lubrication Material Specification:

PmI-79, cagec 98354 mfr ref single material response and freon tf, cagec 88559 mfr ref single material response

Material:

Shelf Life:

Steel comp e52100 ballsteel comp e52100 inner ringsteel comp e52100 outer ringcotton retainer and plastic phenolic retainer

Material Specification:

Ams 6444 assn standard single material response ball or mil-b-1083 military specification single material response ball or 66 federal standard single material response inner ring or mil-b-1083 military specification single material response inner ring or mil-b-1083 military specification single material response inner ring or 66 federal standard single material response inner ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring or 66 federal standard single material response outer ring material response retainer

N/a Unit Of Measure: --Demilitarization: No Fiig: A044a0 Mil-std (military Standard): Mil-b-1083 spec.
