End Application:

B2-aircraft

Rolling Element Diameter:

0.6875 inches

Special Features:

Afbma-std-10grade48

Material:

Stainless steel

Material Specification:

Astm-a276 assn standard single material response

Style Designator:

Ball

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A044a0
